Cloud Service Description (200 words or less)

MHS Online Assessment Center+

Digital service and remote administration are the most efficient ways to perform assessments and provide client services. Making the switch to digital has never been easier. The MHS Online Assessment Center+ is a user-friendly, intuitive experience that will help simplify all the tasks in your assessment workflow, from adding a client to generating a report. Performing these tasks has never been easier, or more efficient. With the click of a button, you can administer, send forms, score and generate reports all within one easy-to-use portal that houses all your online MHS assessments. The MHS Online Assessment Center+ features enhancements from years of refinement and input from thousands of users to streamline your assessment process and improve remote administration.
